PORTCULLIS IN THE BRITISH VIRGIN ISLANDS FEATURES & BENEFITS

Established in 1993 as a licensed trust company in the British Virgin Islands, Portcullis (BVI) Ltd is a key service provider within the BVI financial services industry. Portcullis (BVI) Ltd is managed by a qualified, professional team with extensive industry experience and expertise in company management, trustee services, trust administration as well as a wide range of corporate services.

THE BVI FINANCIAL SERVICES INDUSTRY

Over the past 30 years, the British Virgin Islands (BVI) has established itself as a global financial services leader in the provision of offshore financial services. The BVI boasts a robust and innovative legislative and regulatory regime. Its stable political climate and respected judicial system based on the English common law make the BVI an attractive place for investment and the formation of a wide range of corporate structures for international business needs.

"The BVI has established itself as the leading provider of offshore financial services…due to its best-in-class innovative regulatory regime and business-friendly environment..." - BVI Finance

Many leading law and accounting firms have contributed to the continued reputation, stability and well-being of the jurisdiction by choosing to establish permanent offices in the BVI. The Government also remains committed to ensuring the BVI remains at the forefront of the offshore financial services industry worldwide and is able to meet the increasing global challenges and commitments.

PORTCULLIS

CORPORATE DIRECTOR AND SHAREHOLDER SERVICES

The changing global financial services landscape with its increased regulatory and legislative demands has resulted in greater scrutiny of companies and their Boards. Corporate governance, transparency and substance are now key priorities to be considered.

As part of our professional services portfolio, Portcullis (BVI) Ltd provides director and shareholder services through our licensed corporate subsidiaries. This allows the mind, management and control of a company to remain in the BVI and provides for real-time execution and administration of company business.

Our team has a comprehensive understanding of the evolving regulatory environment and can provide clients with the necessary expertise in the provision of corporate directorships, board oversight and shareholder services.

AUTHORISED REPRESENTATIVE SERVICES

The BVI SIBA legislation requires funds and fund managers to appoint an authorised representative to undertake certain functions. Portcullis (BVI) Ltd provides such authorised representative services through its licensed subsidiary, Portcullis AutRe (BVI) Ltd.

CONFERENCE FACILITIES AND SECRETARIAL SERVICES

As part of our professional services portfolio, Portcullis provides corporate secretarial and record keeping services through our licensed corporate subsidiaries. Using state of the art electronic document management solutions, Portcullis facilitates secure, electronic maintenance and retrieval of your current corporate records.

Portcullis also provides executive meeting facilities for Board meetings and AGMs on site.

LIQUIDATOR SERVICES

Portcullis provides both personal liquidator and liquidation services through its licensed subsidiary. Our in-house services ensure efficient and effective oversight of the dissolution of your company.
